

29500771	DATA SHEET
Valid from: 04.07.2019	PCF MICROSCOPE ADAPTER (*A) SIMPLEX

Description

- Adapter for optical fibre inspection microscope
- Suitable for optical surface tests (e.g. contamination, cracks) of polymer cladded optical fibre assembly in combination with optical power measurement device (article 29500770)
- For connector types F-SMA, F-ST and HFBR available

General characteristics

Connection, to connector	F-SMA, F-ST or HFBR
Connection, to optical inspection microscope	M12 thread

Variation

Article	Description	Adapter (*A)	Dimensions [mm]
29500771	PCF MICROSCOPE ADAPTER FSMA SIMPLEX	F-SMA (IEC 61754-22)	Ø18 mm x 9.70 mm
29500772	PCF MICROSCOPE ADAPTER ST(BFOC) SIMPLEX	F-ST (IEC 61754-2)	Ø18 mm x 9.00 mm
29500773	PCF MICROSCOPE ADAPTER HFBR SIMPLEX	HFBR (Versatile Link Standard)	Ø18 mm x 14.00 mm

Mechanical properties

Adapter connector, material	metal
-----------------------------	-------

Application range

Office, data centers, Industry
